Summary: So the Warrior of light decided to give Toothless a one up... so lets see how this trainwreck ends... A hopefully useless pairing...

Bad switch what happened?

Warrior of light: that is a sad story for Toothless, and even hiccup.

Why do you say that?

Warrior of light: because Hiccup should be dead because the link to life he had was through toothless that is why he never died in any circumstance.

So what are you going toâ€¦no that breaks this story!

Warrior of Light: Don't you know I make my own rules, and it should give you an interesting change of pace!

Ugh, I guess I can't talk you out of it but is this a time separation?

Warrior of Light: Of course you can still enjoy your own story it's just that I will be actively in this one.

Ummm, I guessâ€¦ Darn he's going to do itâ€¦

Hiccup was sniffling and crying himself to sleep in the sorrow of loneliness. 'I wish that I was never bornâ€¦'

He continued cryingâ€¦ he didn't notice the figure in odd clothes approach. Not till the figure spoke to him.

"Aw, is the little night fury sad that he lost his future or is he

sad he destroyed his chance a love and friendship?"

Hiccup stops crying and looks at the figure, 'So what now? Are you going to kill me?'

"No, but let me show you something." The figure walks in and wraps an arm around Hiccups head and almost drags him out. "There are double rainbows all the way!" The figure waves his hand and as he does so, double rainbows do appear in the sky. "And you know, I have something for you!" The figure swishes his hand and a body floats into the clearing, the body rejuvenates, and heals, and the knife in it falls out. "Now to add the last ingrident!" BOOM, "No not that, where is sheâ€¦ AHA, there she is." The figure pinches something in the air and flicks his fingers. A cough emits from the body as the body picks itself upâ€¦ "Well my job here is partly done. I will be back later, you two have some catching up to doâ€¦" The figure disappears with a boom of sound.

The resurrected Night fury looks at Hiccup, then runs over and bashes him in the head with her tailâ€¦

â€¦Ugh, what hit me? I wake with a headache and a thumping headâ€¦ I opened my eyes and saw the very Night fury that hit me. I backed away in fear back into the small cave that the terror had shown meâ€¦

'YOU! YOU KILLED ME, AND NOW SOMEONE HAS GIVEN ME A SECOND CHANCE. I WILL NOT JUST GIVE MYSELF TO YOU. YOU MUST EARN MY TRUST BACK, 'O CHOSEN ONE!' The fury shrieked at meâ€¦ I curl up and whine but I do not speak backâ€¦

Okay, so Toothless is um madâ€¦ but Warrior of Light how is it going to work between them this time? I mean Hiccup didn't just knock the queen's influence out of her but he killed her.

Warrior of Light: Well like there are double rainbows *double rainbows appear* they will have a love story equal to the other lines soonâ€¦ I do see Hiccup having to nearly die but he won't because of my help.

Well thank you Warrior of Light. Well we have another timeline to play throughâ€¦
